COUNTRY PRESENTATION - FRANCE

ECS Brokerage Event 2023

ECS as fundamental building blocks for the EU economy

Technological leadership

Ambition asserted through the European Chips Act

Strengthen European semiconductor ecosystem competitiveness

Develop future technologies according to More Moore and More than Moore orientations

Open strategic autonomy

Context of international dependancies

Develop our resilience to shortage risk

Provide essential components for the proper functioning of our industry

Twin transition

Digital industry

Digital society

Electric vehicle

Electronic components for energy networks

France's Electronique 2030 industrial Strategy

Announced in July 2022 by President Macron

Goals: Development of production capabilities and industrialisation in France of innovative technologies

+5Bn€ public investment, 16Bn€ of combined public and private investment for 5700 new jobs creation

- Foundries
- IPCEI Microelectronics/Connectivity
- Upstream research in microelectronics
- Other support mechanism for innovation within national semiconductor and microelectronics sector (tba)
- Skills

France's support to KDT calls

Indicative available budget for 2023: 30M€ but **no dedicated budget for KDT calls**

Each proposal has to apply to a national funding instrument in the same timeframe as KDT calls deadline:

- IPCEI:
 - Developing synergies with direct partners (Chefs de file) as regards spillover effects
 - Indirect partners can be funded via a dedicated envelope
 - Participation of emerging actors is a requirement
- I-Démo Europe for other projects
 - Led by an undertaking, consortium should include at least 1 start-up / SME / midcap (ETI)
 - Minimum 4M€ eligible costs for the French consortium
 - Participation of emerging actors is a requirement

Proposals eligibility assessment on funding instruments specifications **before** KDT FPP selection

➔ **Reach out to national contact points ahead of (PO) submission.**

**Thank you for your attention,
and wishing you fruitful discussions during the event!**
