Welcome in Brussels!

On behalf of AENEAS, EPoSS and Inside industry associations
Introduction May 3, 2022

Caroline Bedran, AENEAS Director General

On behalf of AENEAS, EPoSS and Inside industry associations
Welcome to KDT

• Key Digital Technologies is a **partnership under Horizon Europe** (2021-2027), implemented as a Joint Undertaking

• Tri-partite partnership between 3 Industry Associations, European Commission and Participating States

• **RD&I** programme, industry-driven

• **Yearly Calls**, based on Strategic Research and Innovation Agenda

• Selected projects receive funding from EC and Participating States

• RD&I actors (**large companies, SMEs, RTOs, universities**) perform the RD&I activities in the funded projects

• RD&I actors participate in the **strategic orientations** and in the **operations** of the programme directly (e.g., R&D projects) or indirectly (via the industry associations)
Welcome to the KDT partnership: the KDT Joint Undertaking (JU)

Represented at the KDT Governing Board

- Aeneas
- EPoSS
- Inside
- European Commission

Industry associations (Private Members)

KDT Participating States (PS)

European Commission (EC)

HE Rules + Council Regulation on JUs under HE (Single Basic Act) & Financial Regulation
Governance of the KDT JU

• The **Governing Board** in which Industry associations have one-third of the voting rights, EC one-third and Participating States one-third
  ✓ The Governing Board decides on all important topics (Strategy, budgets, Work Programme, contents of the Calls, etc). Its tasks include adopting the Strategic Research and Innovation Agenda proposed by the Private Members

• The **Private Members Board**, with the 3 industry associations representing their members RD&I actors and proposing the SRIA

• The **Public Authorities Board**, i.e., the EC and the Participating States, which contributes to drafting the SRIA, gives input to the WP, approves the launch of Calls and selects proposals for funding

• The **KDT JU Office** managed by the **Executive Director**, based in Brussels, responsible for the day-to-day management in accordance with the decisions of the Governing Board
  ✓ The KDU JU Office is co-financed by the EC (50%) and the Industry associations (50%)
Commitments of Industry Associations in KDT JU

• Members of the Industry Associations have 2 major obligations:

  1. To deliver IKOP (In-Kind Contribution = RD&I costs minus funding) > 2.5B€

  2. To contribute to the financing of the KDT JU Office via the Industry Associations up to 26 M€

• This can be done via the membership of any of the 3 Industry Associations

• Industry Associations are not-for-profit

• Members of the Industry Associations pay a contribution which allows the Industry Associations to fulfill their financial commitment of up to 26 M€ to the KDT JU
Services provided by Industry Associations

Shape
- Industry Associations shaped KDT JU with the EC, the EP, and the Council (Member States), and are now involved in preparing the Chips JU

Strategy
- Industry Associations represent the interest of their members in the KDT Governing Board for the strategy and management of KDT

SRIA
- Industry Associations generate the ECS SRIA which is the basis of the KDT Work Programme and Calls

Stakeholder forum
- Industry Associations organise a yearly stakeholders forum at EFECS facilitating networking, consortia building, and allowing to get feedback on the ECS SRIA
Services provided by Industry Associations

- **Brokerage**
  - Industry Associations organise one or more *Brokerage events* to stimulate project proposals

- **Advocate**
  - Industry Associations *advocate* for the topics and funding conditions in the Calls

- **Workshops**
  - Industry Associations organise *workshops* on specific topics

- **Model PCA**
  - Industry Associations provide a *model PCA* (Project Consortium Agreement) on their websites

Yves Gigase, Head of Programmes at the KDT JU Office
Lunch break

Start next session: 13.45 hrs
Project Idea Pitches

Introduction & moderation by Ad ten Berg
Introduction Pitching session & the ECS Collaboration Tool
May 3, 2022

Ad ten Berg, Director

On behalf of AENEAS, EPoSS and Inside industry associations
ECS Collaboration Tool

• ECT for Preparation purposes

• ECT for Updates of Project ideas (incl. presentation)
  * during the Brokerage *

• ECT to get an Overview of the Brokerage results

• ECT is source for -> The digital info. screen with: Project Name, Number, Status, Meeting location

<<Upload your project idea with documents & Powerpoints>>
3 types of sessions

Plenary
- Information on KDT and the Calls
- Overview of all project ideas by 5 min. pitches in plenary session

Poster session
- For initial discussions with project idea proposers to get more information

Break-out sessions
- Face2Face meeting spaces throughout the venue & breakout rooms for initial consortia
Information Sharing

Project idea pitches
• Focus is on missing expertise or partners
• What does your proposal need?
• Be aware there are no NDA’s signed!

Poster & Face2Face sessions
• Project idea proposers staff their poster during poster session
• All projects have a **number** (see signposts) to track & trace project consortia
• No session moderators present

Digital Screen
• Interactive project updates & meeting updates
• Use Twitter: share project updates in Tweet Deck
Social media

• Twitter messages with #KDTBROKERAGE2022
  • Are visible at the Tweet Deck on the Digital Information screens

• Post important messages regarding project ideas such as:
  • Meeting location
  • Status project etc.
