

Welcome in Brussels!

On behalf of AENEAS, EPoSS and Inside industry associations

Introduction May 3, 2022

Caroline Bedran, AENEAS Director General

On behalf of AENEAS, EPoSS and Inside industry associations

Welcome to KDT

- Key Digital Technologies is a **partnership under Horizon Europe** (2021-2027), implemented as a Joint Undertaking
- **Tri-partite** partnership between 3 Industry Associations, European Commission and Participating States
- **RD&I** programme, industry-driven
- **Yearly Calls**, based on Strategic Research and Innovation Agenda
- Selected projects receive funding from EC and Participating States
- RD&I actors (**large companies, SMEs, RTOs, universities**) perform the RD&I activities in the funded projects
- RD&I actors participate in the **strategic orientations** and in the **operations** of the programme directly (e.g., R&D projects) or indirectly (via the industry associations)

Welcome to the KDT partnership: the KDT Joint Undertaking (JU)

Governance of the KDT JU

- The **Governing Board** in which Industry associations have one-third of the voting rights, EC one-third and Participating States one-third
 - ✓ The Governing Board decides on all important topics (Strategy, budgets, Work Programme, contents of the Calls, etc). Its tasks include adopting the Strategic Research and Innovation Agenda proposed by the Private Members
- The **Private Members Board**, with the 3 industry associations representing their members RD&I actors and proposing the SRIA
- The **Public Authorities Board**, i.e., the EC and the Participating States, which contributes to drafting the SRIA, gives input to the WP, approves the launch of Calls and selects proposals for funding
- The **KDT JU Office** managed by the **Executive Director**, based in Brussels, responsible for the day-to-day management in accordance with the decisions of the Governing Board
 - ✓ The KDU JU Office is co-financed by the EC (50%) and the Industry associations (50%)

Commitments of Industry Associations in KDT JU

- **Members of the Industry Associations** have 2 major obligations:
 1. To **deliver IKOP** (In-Kind Contribution = RD&I costs minus funding) > **2.5B€**
 2. To contribute to the **financing of the KDT JU Office** via the Industry Associations up to **26 M€**
- This can be done via the membership of any of the 3 Industry Associations
- Industry Associations are not-for-profit
- **Members of the Industry Associations** pay a contribution which allows the Industry Associations to fulfill their financial commitment of up to 26 M€ to the KDT JU
